

Let's Connect Securely

We prioritise data security and have partnered with My Databoss to create a secure channel for managing your information.

1. Download the App

Search "My Databoss" in the Google Play Store or Apple App Store, Install and follow Get Started instructions.

2. Get Started

Register for an Account.

You will need your AU/NZ drivers licence and passport for advanced identity verification.

3. To Connect

Share your My Databoss ID (found in the top left of your profile) with your business contact to connect securely.

4. Accept Request

Accept client invitation request to connect, establishing a secure channel for receiving and submitting forms.
